

# DONOR ADVISED FUND

Stay involved in the giving experience.

**DONOR ADVISED FUNDS** *keep giving personal, long after you've made your gift. Establish a fund, and make ongoing suggestions for how grants from that fund are used to improve life in our community.*

## HOW IT WORKS:

- Make a gift to the Community Foundation of North Central Florida—you can give cash, appreciated stocks, real estate or other assets.
- We set up a special fund in your name, in the name of your family or business, or in honor of any person or organization you choose.
- You receive tax benefits in the year your gift is made.
- You recommend uses for the fund—working with our professional program staff to support the causes and organizations you care about most.
- Your recommendations are presented to our community foundation board for approval.
- We handle all the administrative details and issue grants to charities in the name of the fund you establish (if you prefer, grants can be made anonymously).
- Your gift can be placed into an endowment that is invested over time. Earnings from your fund are used to make grants that benefit community. Your gift—and all future earnings from your gift—is a permanent source of community capital, helping to do good work forever.

## A personal connection

Ten years ago, Perry McGriff wanted a way to give back to his alma mater—Gainesville High School. “I’ve lived here my whole life, and now that I have more time and resources, I can give back to the school that was very special to me,” he said. Perry and his financial advisor met with their community foundation to discuss ways Perry might increase the impact of his giving and gain maximum tax advantage. Perry chose to establish a Donor Advised Fund in his family’s name that recommends grants to support athletics at GHS. Perry passed away in 2017 and his fund remains as a legacy that continues to benefit the community.

## MORE BENEFITS

Donor Advised Funds are convenient, flexible tools for individuals, families, businesses or groups that want to be personally involved in suggesting grant awards made possible by their gifts. If you have a range of community interests, you may find that it's an ideal vehicle for fulfilling your charitable wishes. Donor Advised Funds are typically less costly and easier to administer than other forms of philanthropic giving (such as family or corporate foundations).

Your gift can be combined with others to increase its impact, and you can add to the fund you establish at any time, receiving tax benefits with each new gift. You can establish a fund today and make grant recommendations now or in the future. And if you endow your gift, it becomes a permanent community funding resource.
