

FIELD OF INTEREST FUND

Connect personal passions to high-impact giving.

BY ESTABLISHING A FIELD OF INTEREST FUND, you can focus your gift on an important area of community life, such as early childhood development, parks and recreation, or food security. You identify your personal interest when making your gift; our board awards grants to community organizations and programs that are making a difference in the area you select. Your gift stays flexible enough to meet community needs in your interest area—even as they change over time.

HOW IT WORKS:

- Identify an area of personal interest as broad or narrow as you wish.
- Make a gift to the community foundation during your lifetime or through a bequest in your will. You can give cash, appreciated stocks, real estate or other assets.
- We set up a special fund in your name, in the name of your family or business, or in honor of any person or organization you choose.
- You receive tax benefits in the year your gift is made.
- Our professional program staff evaluates needs in your area of interest, where grants from your gift will make the greatest impact.
- Our board issues grants in the name of the fund you establish (if you prefer, grants can be made anonymously).
- We handle all the administrative details.
- Your gift can be placed into an endowment that is invested over time. Earnings from your fund are used to make grants addressing community needs. Your gift—and all future earnings from your gift—is a permanent source of community capital, helping to do good work forever.

Dedicated to a cause

Several years ago when public schools were facing potential budget cuts to arts and music programs, a group of retired school teachers immediately wanted to respond. They spoke with their local community foundation and decided to establish the Friends of the Elementary Arts, a Field of Interest Fund that supports arts and music programs in Alachua County public elementary schools. "We chose to begin this fund because exposure to the arts and music is so important in the development of a child," says Cheryl Poe, one of the fund's founders.

Since its creation, grants have been made to provide teacher supplies and to transport elementary students to performances in our community's theaters and performing arts venues.
